Please Do Not Text and Drive This is our CTE District Initiative – No Texting While Driving

Texting behind the wheel is killing people. Youthful drivers are especially at risk. One in ten teen drivers involved in a fatal crash were distracted, and a quarter of teens send a text every time they drive. Texting while driving is dumb and illegal, but even worse would be explaining how you lost a friend because of your unecessary texting. <u>Please sign our No Texting While Driving Pledge</u> located in our Career Center Commons Area.

- ✓ Put your phone away while driving (purse or glove compartment)
- \checkmark Designate a passenger to do the texting for you
- \checkmark Pull over to answer the phone or to type or read a text
- ✓ Don't be the next Distracted Driving victim!
