Weather Related Cancellation and/or Delay Information

The Porter County Career and Tech Center and SELF School follow the cancellation/delay decisions of the Valparaiso Community Schools. All other CTE sites follow the closing decisions of the hosting school.

All commuting students should drive carefully and use common sense and their parent's input when deciding if it is safe to drive to their CTE location.

In the event of severe or inclement weather, school may be delayed or canceled. Please use the following sources to track any weather related delays or cancellations:

- VCS Alert (The registration procedure is available on the Valparaiso Community Schools homepage <http://www.valpo.k12.in.us>). Go to "School Closing Information" on the left side of the screen. You can register your cell phone to receive a message through this process.
