Early Childhood Education Students Conduct Fruit Festival

The purpose of the Fruit Festival was to encourage SELF children to eat fruits and to try different fruits. Helping youngsters develop healthy eating habits was fun for our students and an admirable achievement. The morning class is pictured ready to serve a variety of delicious fruits.

"Learn a skill. Learn to do it really well. Work your butt off."
- Mike Rowe

Task Force Tips Scholars

Ian Beal and Oliver Howe will both attend Vincennes University next year to study precision machining. They are both already working for Task Force Tips and were selected for the TFT Scholarship program which includes their college expenses and a good paying job when they are in town for holidays or vacations.

Auto Students Have Successful Job/Career Fair

Greiger Motors, Kennedy Mazda, Harley Davidson/Valpo, Nissan of Chesterton, Doug Pierce Hot Rod, and Midwest Auto Care all were on hand to interview Auto Tech students.

Students can be seen getting interviewed by employers.

Blood Drive Success

50 total pints were collected at our last Blood Drive of the Year. This is enough blood to reach up to 150 patients-in-need. Plus there were 13 first-time donors! This year, we collected a total of 184 pints. Thanks to all who donated and who helped with the Drive.

We also added 72 students to the Bone Marrow Registry in our Second Annual Collection in honor of Tammy Kenning, daughter-in-law to retired Electronics Teacher, Dave Kenning.

Please Do Not Text and Drive

This is our CTE District Initiative – No Texting While Driving

Texting behind the wheel is killing people. Youthful drivers are especially at risk. One in ten teen drivers involved in a fatal crash were distracted, and a quarter of teens send a text every time they drive. Texting while driving is dumb and illegal, but even worse would be explaining how you lost a friend because of your unnecessary texting. Please sign our No Texting While Driving Pledge located in our Career Center Commons Area.

- ✓ Put your phone away while driving (purse or glove compartment)
- ✓ Designate a passenger to do the texting for you
- ✓ Pull over to answer the phone or to type or read a text
- ✓ Don't be the next Distracted Driving victim!

Porter County Career and Tech program is proud of our most recent state data (2015-016 School Year). Our District was one of the only ten districts to exceed all required core standards:

Program Completion Rate: 100%

Placement in work, college, or both: 100%

Technical Skill attainment: 93%

H.S. Graduation: 98.7% (compared to the statewide graduation rate of 86.4%)

In addition, students earned 4,960 college credits last year

Calendar
